

# Adorns DE NADAL

## PAS A PAS:

1. Imprimix-ho a color en una cartolina blanca.
2. Retalla els motius de la mateixa mida i apegu'ls l'un amb l'altre, per a tindre els teus adorns nadalencs, a doble cara.
3. Perfora-ho per la part superior.
4. Busca un cordó bonic, fil daurat o fil de pescar per a penjar-los a diferents altures i poder utilitzar-los per a decorar qualsevol racó de casa.
